1 Anal Finger Stimulator
If you or your loved one blush about being bummed, then this is a gentle way to ease your way into it. Made from silicone with a small tip, the Anal Finger Stimulator glides up your crack easy-peasy. All you have to do is slip it over your finger, cover in lube for comfort, and pop her up. And, for you guys rubbing your hands in glee at the thought of bangin' your missus' butt, this one is perfect for you too! Enjoy!
Available from passion8.com

2 Mistress bag
Okay, so this is for a seriously special lady in your life – your mistress! I just love everything about Insinuate. From their super sexy website and glossy brochure to this, their best-selling bag of gorgeous goodies. Bursting with sexy treats (thong, gloves, spanker, wrist ties and a blindfold) you won't be leaving your room for quite some time – you have been warned. I'd quite happily trade in my Gucci bag for this gem – if I had one!
Available from www.insinuate.net

3 Honeymoon Spanker
Another beauty from Insinuate, for those who deserve a good spanking – in style. Made from pink satin and beautifully crafted into a heart shape, it's quilted and finished off with ribbons for a super girly touch. Guaranteed to make you feel special (and a bit sore!) you'll misbehave just to be on the receiving end of this fella!

4 Ai Love Beat Vibrating Love Heart
I dunno what's got into me this month, but I have gone all soppy and loved up. This cute little vibrator, encased in a little love heart, packs a punch where it matters. It comes in a really sweet little gift box and will soon work its magic gliding all over your body... mmm, loverly. And for under a tenner it's a winner.
Available from lovehoney.co.uk

5 Blow Guard Oral Sex Comforter
Designed by a dentist to protect willies from teeth (he must have had one painful experience!) this also delivers powerful vibrations to your cock. It works, but boy, do you look a prick wearing it! They recommend wearing one on each set of gnashers – that would make you look like that psycho from Manhunter!

UP THE AISLE

My husband Carl and I recently had a very sexy experience at the cinema.

We arrived feeling horny as he'd just taken a load of sexy pictures of me. I was still wearing my short white dress, suspenders, strappy shoes and no knickers.

As we found a seat, a couple of young lads (I later learned they were called Ben and Alex) who were eyeing me up at the bar followed us. They sat down next to me.

I allowed Ben to look down at my pert breasts and partly opened thighs. Once the movie began I slowly moved my hand on to his thigh to gauge his reaction.

When I reached the big bulge in the front of his jeans, I took his hand and slid it into my hot wet pussy that was by now clearly visible.

Carl, fully aware of what was going on, then turned to me and suggested I took the two lads somewhere more private. I knew exactly what the randy bastard had in mind.

"I thought I was going to split in two"

I stood up and took Ben's juice-soaked hand. I led him and Alex to the deserted washroom, leaving Carl sitting there with a big hard-on and a grin on his face.

When we got into the washroom, Ben and Alex immediately each took a tit in their mouth and sucked my erect nipples. I pulled them away and knelt down in front of them.

I released their throbbing cocks, and sucked them off and licked their balls in turn. Alex had much the bigger cock, and I wanted him to fill my pussy with it.

When he entered me I thought I was going to split in two, his cock was so wide. I soon felt the first of many orgasms shudder through my body.

Not wishing to neglect Ben, I told Alex to fuck me doggy-style so I could suck Ben's waiting cock. The thrilling possibility of being caught made us fuck like stray dogs.

After Alex fucked me to another orgasm, it was Ben's turn. I took Alex's cock deep in my mouth as he fired what felt like gallons of hot spunk down my throat.

Ben rammed his cock up my pulsating pussy and fucked me until I came all over his balls and he shot his load inside me.

We redressed ourselves and returned to our seats. Carl was sitting there with a vast erection, knowing I would have cum dribbling out of my cunt and the taste of spunk in my mouth.

After the movie finished I kissed the boys goodbye and Carl took me home and fucked me senseless while I told him every detail of what had happened.

BLACK MAGIC

My husband Graham and I recently enjoyed a weekend break in a hotel. We returned from a night out for some fucking and sucking.

I was feeling randy so I started flashing my tits, arse and wet cunt out of the window. Two black blokes had caught sight of me and were cheering me on and beckoning me down.

Up for a fucking, I shouted down for them to meet me in the car park. After a quick hello, I slipped my moist panties off and they produced two massive erections for me.

I licked their balls and gobbled their cocks alternately while Graham fingered my cunt. Just over the wall passers-by had no idea what was going on.

I then lay on the bonnet of our car and let all three men probe my cunt, arse and tits. Soon afterwards I came, cumming so hard I sprayed juice over their hands and faces.

I love double penetration, but I'd never tried with cocks this big. I got on all fours and one of the black guys entered me from underneath while I sucked Graham's cock.

I wasn't sure if my arse could accommodate the meaty boner pressed against it, but after having my back entrance eased with a couple of fingers it slid in.

Very gently the guy up my arse started to build up a steady rhythm, coinciding with the guy who was banging my cunt.

I begged them to fuck my willing holes harder while I feasted on my husband's fat erect penis.

I kept cumming and cumming before all three of my holes were simultaneously pumped full of salty seed.

I thanked the two guys and Graham and I went back to our room to start all over again.

IN THE CLOSET

On a recent weekend break to Scotland, my husband Brian and I decided to live out our biggest fantasy.

This was for Brian to hide in the wardrobe while I went out and pulled two blokes, brought them back and fucked them silly while he secretly watched.

I got ready in our hotel room, getting out my best pulling outfit. I was definitely up for it as I kissed horny Brian goodbye and walked downstairs to the bar with no knickers on.

I scanned the room and at the end of the bar I saw my potential fucks. I work in sales so I have the gift of the gab, and after ordering a drink I joined the two lads.

Three hours and several bottles of wine later we were talking like old friends, and I steered the conversation towards sex and sexual fantasies.

I told Stuart and Ryan that at that very moment I was acting out my fantasy of picking up two guys in a bar and taking them back to my room for a good fuck.

This obviously excited them both, and I too was getting horny. My pussy was dripping wet as I ordered another bottle and told the boys to follow me.

I led them to my room. Making sure the lights stayed on, I told them both to strip naked and sit on the side of the bed (facing Brian in the wardrobe).

I took a cock in each hand and started sucking and waking them. I was in my element with two big cocks to play with and my husband watching me.

I started to deep throat Ryan, knowing this would drive him wild as well as my husband.

Then I stood up and asked who wanted to lick my pussy. Stuart was the first to volunteer so I sat on his face.

He clamped his hands around my waist and I relaxed, allowing him to drink his fill. Then I swivelled into the 69 position with Stuart and Ryan stuck his cock up me from behind.

What a feeling it was to suck a big cock, get shagged from behind, get my cunt plated and have my husband watching the whole thing.

All these sensations combined to give me a tremendous orgasm, my whole body shaking. Ryan was not far behind me, spurting over my back.

After that I wanted Stuart's cock. He lay flat on his back and I straddled him. As I sank down inch by inch upon his cock, I knew Brian's eyes would be glued to my fuck hole.

While I rode Stuart, Ryan came over and stuck his cock in my mouth. When I had made his cock very wet he got on the bed behind me.

He told me to lean forward and then he slowly entered my arse. I bet Brian had a right good view as two cocks pounded in and out of my holes.

We fucked away for another hour, cumming until we could cum no more. Then Ryan and Stuart dressed while I cleaned myself up in the bathroom.

The lads thanked me for a great fuck and I kissed them goodbye. As soon as the door shut Brian burst out of the wardrobe, grabbed me and lifted me onto his throbbing hard cock.

He fucked me long and hard right up against that wardrobe. Ever since that night our sex life has been electric!

PHOTO FUCK

I hope you all enjoy these pictures of a sexy 19-year-old lady I recently had the pleasure of photographing.

Let me explain. I am an amateur photographer and I'm always on the look out for new faces. Down the pub, on the street – I always have one eye open.

This young lady saw one of my ads for models and phoned me up. A short time later, I had arranged to go around her house and do a shoot.

That weekend I arrived at her door with camera, lights and all the rest of my heavy equipment. I knocked on the door and I was greeted by this pretty young thing and invited in.

After all the small talk was out of the way, we set up and got down to the task in hand. Half an hour later there was this little beauty standing in front of me totally naked.

She had gorgeous breasts, the best pair I had ever seen. At that particular moment they were swaying in front of me and almost hypnotising me.

As I took more shots, the next step was for her knickers to come off. Off they came, and I was greeted with the smoothest of pussies, completely shaved.

I got her to do some ruder stuff. She opened her legs wide and I got a good view of her very wet lips. It was becoming harder and harder to concentrate on the job in hand!

My cock was straining against my trousers, just asking to be released and to enter this juicy waiting cunt. I then explained to her that her nipples needed to be more erect.

I asked her if she could do something about it. "No I can't, but if you want to you can come over here and suck them till they're nice and hard!" she said.

I didn't need asking twice. I lunged at her milky mounds and softly sucked and licked them bit by bit until she was screaming for a damn good fuck.

She unleashed my hard cock and proceeded to suck it as hard as it's ever been sucked.

I could take no more of her tongue, so I told her to get down on all fours.

I pushed my thick cock all the way inside her from behind. "Deeper you bastard, fill me with your prick! Fuck me harder, fuck me deeper – come on, make me cum!" she shouted.

I banged away as hard as I could until she told me she was going to cum. She ordered me not to blow for a few more strokes until she had had her orgasm.

With that she came and slumped on the bed. I gave her a few more strokes until I was ready to cum. She told me to pull out and shoot in her mouth.

I withdrew just in time. The first jet hit her in the face and the next one went straight in her mouth. She swallowed every drop, the saucy little minx.

I never did finish that shoot – but I got enough shots to share with Swing readers! Hope you like them!

SCREW TOPS

As a reward for unexpected profits at work, my boss invited my partner and I to a wine bar with her and her husband.

I wore the skimpiest of dresses, a pair of tights and my white leather 'fuck me' boots. I didn't wear knickers – I love the feel of nylon tights against my smooth pussy.

My boss Anne is just my type – blonde, busty and bossy. She ordered a bottle of wine when we arrived and the alcohol flowed until last orders.

We took up Anne's invitation to go back to her place. In the cab on the way I got a taste of what was to follow as Anne stroked my nylon-clad thigh and stuck her tongue down my throat.

As we watched a blue movie back at Anne's, my husband suggested I show off my lap-dancing skills. It didn't take long for me to get down to just my tights and boots.

When I had finished, Anne told Charles to get his kit off. He had the fattest cock I had ever seen, entirely shaven. I was soon on my knees sucking and wanking him for all I was worth.

Anne was busy pushing a couple of fingers through my tights and into my pussy. After a while she left the room and told us to join her in five minutes.

So a little later we went to the bedroom to find Anne wearing a PVC basque, stockings and sporting a massive strap-on.

My hubby sat on a chair and watched as Anne pushed me onto the bed and roughly parted my legs. She greedily licked my pussy, ripping open my tights with teeth and fingers.

She got me into the doggy-style position and slowly eased the strap-on inside me while Charles and my husband offered their hard cocks to my eager mouth.

Just as I was gagging on Charles' dick, he went behind me and took over from Anne. He stuffed his lovely fat cock into my gaping pussy.

They took it in turns to fuck me doggy-style before Anne lay on the bed and demanded I ride her. Being eager to please, I did not need telling twice.

PARIS, London

I was in heaven as I bounced up and down on Anne's 'cock' as she twiddled my nipples and the boys wanked off over us.

When Anne pulled my arse cheeks apart and gently worked one of her long feminine fingers into my tight bum I had one of the longest and best orgasms of my life.

When Anne had finished with me, I sat on Charles' lap while he groped me and we watched my husband perform every sex act imaginable on Anne's horny body.

I then got to fulfil my fantasy of eating my husband's spunk out of another girl's pussy.

Anne has promised me promotion is on the cards as long as I remain knickerless and eager to please.

Paris, London.

RESERVOIR DOGGERS

One warm sunny day my husband Dave and I decided to go for a walk to a reservoir only a short drive away through the countryside.

During the drive I undid the bottom buttons of my dress and spread my legs. I was not wearing any knickers so Dave got a good view of my neatly trimmed bush.

Licking my middle finger, I placed it on my clitoris and started wanking in front of him. Dave found it hard to drive with me sitting next to him frigging myself off.

I was on the verge of cumming just as we entered the sparsely populated car park. As soon as Dave pulled up he lapped at my quivering clit.

I had a mind-blowing orgasm and copious amounts of pussy juice leaked over the seat. Then we went into the nearby woods for a fuck.

Dave got me up against a tree and shoved three fingers inside me. Then I got down in front of Dave and took his hard cock in my mouth, savouring its salty taste.

Dave was fucking my mouth so deep I could feel the tip of his cock hitting the back of my throat as his heavy balls slapped against my chin.

Then he told me to lean forward against the tree so he could fuck me from behind. I did as I was asked and soon felt his cock slipping inside my moist hole.

I felt myself cumming almost instantly as his big cock spread my cunt lips from behind. I yelled at him to fuck me hard as my orgasm hit me.

Soon after that Dave grunted and let his hot seed flood into me to top off a great shag.

Gina, London.

GLEN, SWINGER

A long-serving swinger and ambassador for Our Place 4 Fun in North London, Glen passed on some saucy secrets to our interviewer ZJK...

I met Glen at the small but perfectly formed Our Place 4 Fun, a swingers' club in North London. A genial giant with bags of charm, he's one of those people who make up the fabric of a good club – not officially part of the staff but informally involved in helping the place work. In chatting to him I realised he had some terrific insights into the scene as it was and as it is now, and luckily for me and you lot, he was happy to share them.

So how did you get into the scene, Glen, and what was it like for you at the beginning?

"Through magazines like Experience [now long defunct as far as I can discover] which had a contact section. I was fascinated and so was my girlfriend of the time, who had always wanted to try bi fun and who was also keen on having two guys at once. So it was a natural progression from reading about it to placing an advert in the contacts section, and replying to adverts, too. But what a palaver! To reply to an ad, you had to write a letter to the advertiser, put it in an envelope inside another envelope, send it to the magazine who would forward it on. It took at least four days before you heard back, and you had to give either your home address for the other couple to write back to, or your home number – there were no mobiles in those early 1980s. But we managed, and really enjoyed ourselves with other couples."

I often almost regret not having been into the scene in those days, as the potential for adventure or at least the makings of a good story seems to have been rather greater. However, as Glen points out, sometimes the best funny stories are only funnier in retrospect.

"She bet she could fuck 35 men in one day"

"Looking back you can laugh, but imagine meeting a couple in a pub and finding that the woman was not only totally unlike the picture, but had two rows of top teeth with a strong hint of inbreeding in the family tree... When we were relative newcomers to the scene and didn't know how to say no thanks politely, we met a couple in a pub and when it was time to leave, we told them to follow our car back to our house but deliberately lost them at a set of traffic lights."

You must have plenty more good memories of things that have happened over the years, though. Care to share a few of those?

"It's hard to know where to start. The best thing has been the people we've met and become genuine friends with. I've seen beautiful women doing all kinds of wonderful and wild things – one sexy

WorldMags.net

friend of ours had a bet she could have 35 men on her 35th birthday. Starting at noon, she had the last one at 11.45pm."

In recent years, the club scene has expanded and there are almost too many clubs to choose from, so there should be something for pretty much every taste. What often happens, and quite happily, though, is that people find a club that suits their particular tastes and stick to it, only rarely venturing elsewhere.

Glen tells me how he got to be involved with Our Place: "My partner and I knew the owners from seeing them at other clubs, and we knew that they were planning on setting up a better class of club. We started going to it regularly and helping out in a very informal way, showing new guests around when the owners were busy, helping on the cloakroom now and again."

He and his partner also started acting as ambassadors for the club. "We'd tell other couples and single women about it when we were online or if we went to parties or places like Erotica, then we'd act as their guides when they showed up at the club. This was really handy for single women, who were often too nervous to go to clubs on their own, not knowing anyone. My partner, with her magic tongue and fingers, made them feel very welcome."

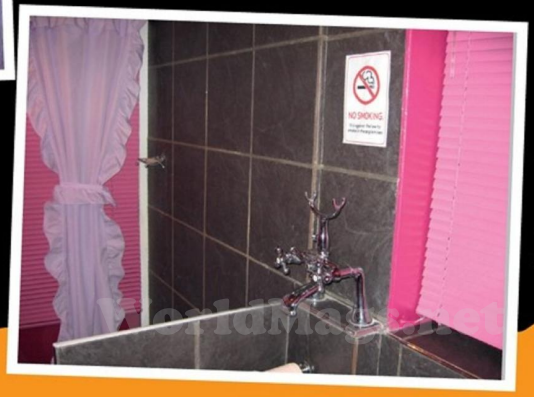

Glen also has this piece of advice for nervous newbies. "People think the clubs are too much, but actually the opposite is true. It's much easier to go to a club, socialise, chat and ease yourself into the scene gradually rather than deal with the more pressured situation that you get if you go round to someone's house or have someone round to your house. Clubs are more natural and they are not the free-for-all orgies that people think they might be. There's no pressure to join in and clubs enable you to see how 'ordinary' swingers are, they are not all like the gruesome couple from TV's *Benidorm* or, at the other extreme, supermodels."

I find myself in thorough agreement with this as it has matched my own experiences as well: the only time I was really too nervous to enjoy myself was when meeting a couple in a pub for a prearranged date, whereas clubs have always been full of endless possibilities but little or no pressure. Glen also feels that "the scene is now so well-established it's almost normal – clubs that would have been exposed in the papers five or ten years ago are now openly advertising."

This is definitely a Good Thing – the more fun there is in life the better and swingers clubs are always a source of good fun and good times. We'll leave you with some sound advice from Glen: "Men should take their socks off when shagging and women should trim their nails if they want to fist another girl!"

Frankie's been a naughty girl... again. "My boyfriend and I sorted out a threesome with a female stranger. It all went well and we had a great time. But now I've carried on meeting with the girl behind his back. We book hotel rooms for licky sticky love sessions. Now we've got another threesome coming up. Can we keep our secret?"

WorldMags.net

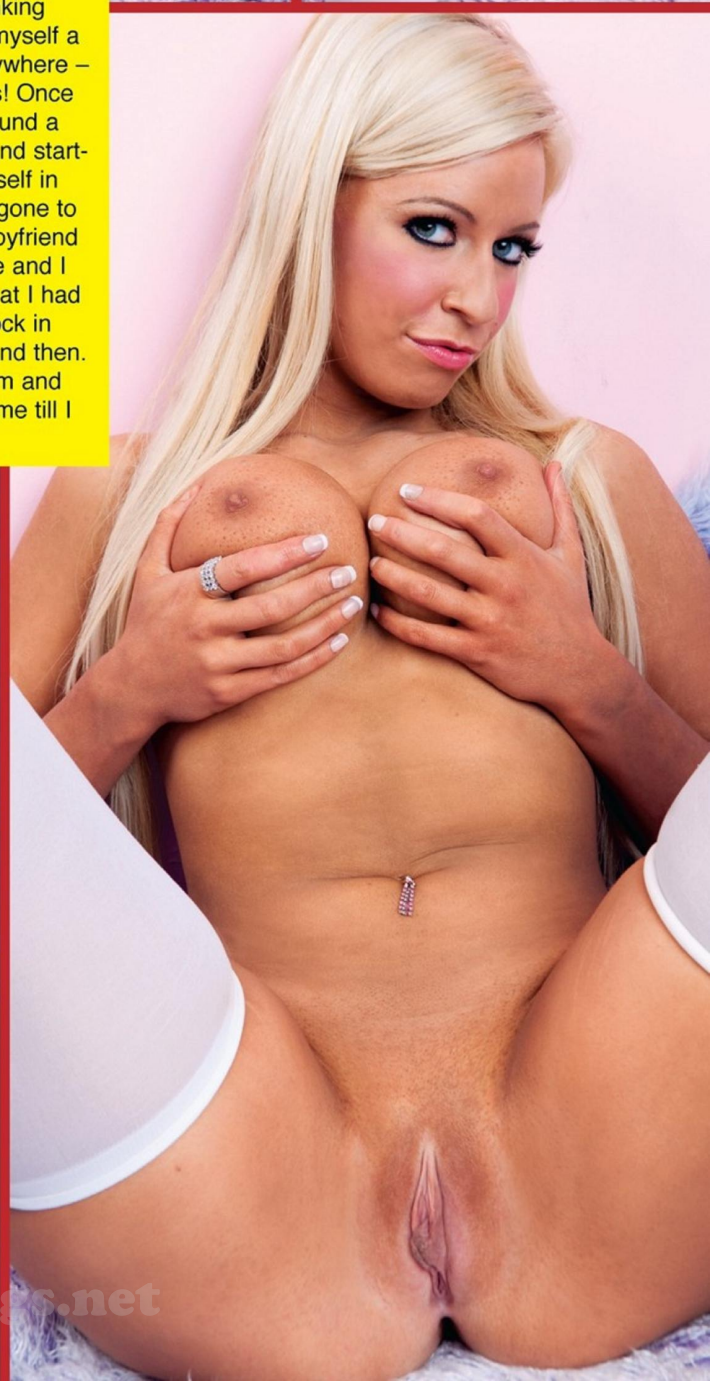

"I'm always wanking and try to give myself a little fiddle everywhere – even on the bus! Once I was staying round a friend's house and started fingering myself in bed after she'd gone to work. But her boyfriend walked in on me and I was so horny that I had to have a big cock in me right there and then. So I grabbed him and made him fuck me till I came!"

PARLOUR GAMES!

Edinburgh

George McCoy revisits Edinburgh, particularly checking out the west side of the city and some old favourites.

Over the past few months, I have been finalising my second new comprehensive guidebook to adult services throughout Scotland, Ireland and the North of England. In particular I have spent a lot of time up in Scotland, an area I have covered in several articles already. But one area had remained uncovered – the west side of Edinburgh.

However the recession has wreaked havoc in the adult services industry all over the country and perhaps nowhere more than in Edinburgh. Even between going to print and visiting the city two more parlours had closed down and so just covering those parlours on the west side of the city, that I had not covered before was hardly going to lead to a substantial article, so I revisited a number of my old favourites as well.

Undoubtedly my favourite parlour in Edinburgh is **Scorpio Leisure**. Located just around the corner from Hibernian's ground, it is not the ideal parlour to visit when Hibernian are at home, but on any other occasion is well worth a visit. Currently their top performers must be Brianne, a busty and very energetic Canadian blonde bombshell and Taylor, a slim brunette with a delightful body and an oral talent that has to be experienced to be believed.

Nearby in Easter Road is **Carol's**, a clean establishment with friendly staff which has recently been getting a fair number of first class reports. At one time they seemed to have a high level of staff turnover, but that has settled down of late and certain ladies are well worth a try here. Heidi, in particular, a tall slim yet busty German blonde in her thirties is very accommodating and friendly with it, always taking the trouble to make each customer's stay here truly memorable. Also noteworthy is Stephanie, a slim fair haired lady also in her thirties.

Also now based in the Easter Road area is **Becky Carlyle**, probably the city's top independent and the lady who adorns the cover of my new guide to Scotland etc. Although only in her early twenties, Becky is nothing if not experienced, having served her apprenticeship at two of the city's leading parlours. Very versatile, she boasts a delightful body and is always keen to please – the reviews she has had simply seeming almost too good to be true. Now having had the personal pleasure of a very exhausting session with Becky, I can vouch for how good she really is, from the moment she greets one at the door very scantily clad, until the moment one collapses in the end totally satisfied.

To be found unsurprisingly in the Newtown area of the city is **Newtown Sauna**, one of the most dependable establishments in the city with several ladies who have been here some time and

JAMIE & JO, Carol's

Yasmin, who can take their customers in hand if that is what they are keen on. In fact although this parlour does not have a room appropriately furnished, these three ladies all bring along plenty of their own equipment with which they can suitably chastise their slaves!

To the north west of the city centre in the Comely Bank area is the **Gentleman's Club**, the longest established parlour in the city and the one where I first came across the lovely Lauren (see my above comments on Executive Sauna).

It has had a few different names in its time and it is decidedly basic, not even boasting the usual sauna. The staff however are very friendly and it should not be written off. Indeed it has even had the odd good report recently.

Not far from Murrayfield is **Paradise Sauna**, a parlour which is associated with Abacus or Dundas Street Sauna and they share a website and to some extent staff with each other. Like Abacus it boasts a very friendly character running the parlour, the inimitable Tam, a regular gentleman.

Another parlour where the lovely Lips Lauren worked at one time, at long last a number of interesting ladies have emerged there. The current stars include Nicki, a slim very energetic local brunette in her early twenties.

The last place worth checking out of consequence in the city is a private flat that goes by the name **Dalry Massage**, since it occupies a flat in the Dalry area, just off the Dalry Rd. It is the successor to the famous Fountainbridge Massage in Gardner's Crescent, and has been operating successfully since 2007.

One of the most notable independent working ladies in the city, Hayley, who was briefly known as Lacey recently, has been working here off and on since it opened and given her concern for decent standards where she works, is as good an advert for this flat as one could hope for.
